

## Dunedin Orienteering Club 2014 OY Points

This is the Club's major competition series for the year. Everyone is encouraged to participate in these events as they are a great way to practice techniques and measure your progress in real competition situations.

Points are awarded at each of the designated events in the following way.

1. The winner of each course is awarded 1000 points.
2. All other finishers get (your time ÷ winner's time) x 1000.
3. DNFs, DSQs & MPs get 100.
4. Planners and controllers get the average of their two best results for the first event and 500 for any subsequent event.
5. Anyone who abandons their run to help injured competitors will be awarded the larger of, the average of their other results or 500 points.
6. It is usual to have 4 – 7 designated OY events and the worst result is discarded.
7. The awards are made to the club member with the highest number of points in each grade and take place at the Club AGM.

During 2014 the club held 4 Orienteer of the Year events. The venues used were Seacliff, Cuttance Block, Christies Gully and Gladbrook. A total of 161 people competed (148 last year) and of these, 79 were club members (89 last year). The much larger numbers of non-members reflects the fact that OY2 was also the South Island Schools Championships and we had about 22 out-of-town visitors. So, of the 139 locals, well over half of the competitors (82) only came for one event. 25 came to 3 events, 20 to 2 events and only 12 to all 4 events.
